EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF COMPANIES ACT, 2013

ITEM NO.2

Re-appointment of Mr.K.Mani as Non-Executive Director

The Board of Directors in their meeting held on 17th May, 2025 had passed a resolution appointing Mr.K.Mani as Additional Non-Executive Director of the Company and who holds office till this ensuing Annual General Meeting of the Company.

The Board feels that the re-appointment of Mr. K.Mani would be beneficial to the Company as he has vast experience in Production and Technical Departments, and hence recommend resolution No.02 for approval of the members of the Company.

None of the Directors, except Mr. K.Mani is concerned or interested in this resolution.

ITEM NO.3

Appointment of Mr.Janmejey Singh Rajput as Secretarial Auditor

The Board of directors of the Company in their Meeting held on 17th May, 2025 had passed a resolution appointing Mr.Janmejey Singh Rajput as the Secretarial Auditor of the Company for the financial year 2024-25 and to hold office till the conclusion of this Annual General Meeting consequent to the resignation of erstwhile Secretarial Auditor Mr.Abhishek Paliwal on 18th February, 2025.

The Board feels that the re-appointment of Mr. Janmejey Singh Rajput would be beneficial to the Company and hence recommend resolution No.03 for approval of the members of the Company.

None of the Directors, except Mr. Janmejey Singh Rajput is concerned or interested in this resolution.

ITEM NO.4

To approve related party transactions under section 188 of the Companies Act, 2013 and Clause 23 of the SEBI (LODR) Regulations, 2015

Clause 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 provides that a material related party transaction, i.e., if a transaction(s) to be entered into which individually or together with previous transactions during a given financial year with the related party exceeds 10% of the annual turnover as per the last audited financial statements of the Company, requires the approval of the shareholders of the company by way of an Ordinary Resolution.

The Company in the Ordinary course of business enters into various transactions of purchase and sale of goods with its group companies. These transactions are continuous in nature and are not for a specific period.

Financial Year 2025-26

Name of the Related Party	Nature of Related Party Relationship	Nature of Transaction	Value of Transaction
1) Comus International, USA	Entity forming part of the same Group	a) Sale of Goods	₹15 Crores
		b) Purchase of Goods	₹10 Crores
2) Comus Europe Ltd.	Entity forming part of the same Group	Sale of Goods	₹5 Crores

Memorandum of Interest: None of the Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise in the aforesaid ordinary resolution.

The Board of Directors recommends the resolution set forth in item No.4 for approval of members as an Ordinary Resolution.

The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and

MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

8. In continuation to this Ministry's **General Circular No. 20/2020** dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022 and General Circular No. 10/2022 dated 28.12.2022 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 2nd September, 2025 at 9.00 a.m. and ends on 4th September at 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 26th August, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

MANAGEMENT DISCUSSION AND ANALYSIS

The details pertaining to the Management Discussion and Analysis have been given as Annexure A forming part of the Annual Report.

FUTURE PROSPECTS/FINANCIAL POSITION

It has been a difficult year as the operations of the Company were still affected due to insufficient business orders. The prices of the main raw materials had increased particularly Gold and Rhodium whose prices had increased manifold and infact sky rocketed but the Company could not pass on the proportionate increase in sale prices to the end consumer. In this context, the company on a trial basis is trying to use a substitute cheaper raw material Ruthinium in place of Rhodium, and if it proves to be successful then the Company will be in a position to earn profits and wipe out the losses going forward. The Company is also undergoing several cost cutting measures to bring down the losses. The Company believes it to be a temporary phenomenon and the Management is confident of reviving the company and the ability to continue as a going concern.

MANUFACTURING FACILITIES

The company is into the manufacturing of Electronic components Reed Switches, Proximity Sensors, Ball Switches, etc.

In this regard the specialist machineries like automatic sealing machines called as Badalex and semi-automatic Sealing machines, Bihler Press, automatic and manual Plating line besides ancillary equipments are used in various process departments.

AUDITOR'S OBSERVATION

Emphasis of Matter

(i) Material uncertainty related to Going Concern

We draw attention to the Note 37 in the Financial Statements. The Company's accumulated losses as at March 31, 2025 aggregate to ₹ 1526.19 Lakhs resulting in complete erosion of its net worth. Further, as of that date, Company's current liabilities exceeded its current assets by ₹ 724.65 Lakhs. These factors along with other matters as set forth in said notes cast material uncertainty about the Company's ability to continue as a going concern in the foreseeable future. However, the Company's financial statement has been prepared on going concern basis as disclosed by management in said note. Our opinion is not modified in respect of this matter.

ADDENDUM TO AUDITOR'S OBSERVATION

It has been a difficult year as the operations of the Company were still affected due to insufficient business orders. The prices of the main raw materials had increased particularly Gold and Rhodium whose prices had increased manifold and infact sky rocketed but the Company could not pass on the proportionate increase in sale prices to the end consumer. In this context, the company on a trial basis is trying to use a substitute cheaper raw material Ruthinium in place of Rhodium, and if it proves to be successful then the Company will be in a position to earn profits and wipe out the losses going forward. The Company is also undergoing several cost cutting measures to bring down the losses. The Company believes it to be a temporary phenomenon and the Management is confident of reviving the company and the ability to continue as a going concern.

ANNEXURE-A

Forming Part of the Board's Report Management Discussion and Analysis

INDUSTRY STRUCTURE AND DEVELOPMENTS

Your company was established in the year 1988. Your company is into the manufacturing and sale of reed switches, proximity sensors, ball switches, etc. The reed switches is one of the unique kind of switches. Your company is the only company in India, other than one M/s. Reed Relays Electronics limited (RRE), based at Bangalore manufacturing reed switches. Your company champions in manufacturing of miniature and Standard reed switches, which RRE does not manufacture at their facility. Your company comes under the category of Electrical and Electronic Industrial segment.

Your company has got all its machine and equipment dating more than 37 years old. Nevertheless, your company has customized the machinery and equipment to suit the latest technological up gradation and need of the hour.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

A) Segment wise / Division wise Operations

Particulars	AS ON 31.03.2025		AS ON 31.03.2024	
	Quantity	Value	Quantity	Value
Segment wise	(in Nos.)	(₹)	(in Nos)	(₹)
Reed Switches	12,37,150	59,930,832	16,75,710	56,354,010
Proximity Sensors	1,58,937	14,121,752	2,30,403	22,102,614
Ball Switch	-	-	2,55,666	2,410,611
Others	-	3,140,680	-	5,922,180
TOTAL	13,96,087	77,193,264	21,61,779	86,789,415

B) Other Initiatives

Initiatives has been taken up by your company on a trial basis in trying to use a substitute cheaper raw material Ruthinium in place of Rhodium, and if it proves to be successful then the Company will be in a position to earn profits and wipe out the losses going forward. The Company is also undergoing cost cutting measures to bring down the losses.

C) Outlook

There were no sufficient business orders. The prices of the raw materials had increased but the Company could not pass on the proportionate increase in prices to the end consumer.

However the Company had undergone cost cutting measures to bring down the losses and the Management is confident of reviving the business of the company in the years to come by increasing the productivity and by adding new products and reduce the scrap generation because of which, your company will be in a position to reduce the loss and be profitable in the years to come.

D) Finance and Investments

Your company has not taken any loan, or deposit etc. from any one, except for issuance of 98,178 Zero Coupon Redeemable Preference Shares (RPS) of ₹100/- each to its holding company M/s.Gunther America Inc.,

In this context, the Company has passed the special resolution in its Annual General Meeting held on 21st September, 2021 to convert the RPS into equity shares of the Company. However as on date the conversion is not materialized yet and the company is taking the initiative to convert the same at the earliest.

E) Human Resource Development and Industrial Relations

Human Resource Development and Industrial Relations was very cordial. Your company's subsisting wage agreement with the STG's worker Union is due for finalisation.

F) Internal Control Systems and Their Adequacy

Your company has got sufficient internal control system. Your company has appointed independent third party internal auditor besides statutory auditor. The present system is sufficient to meet the requirements of the company.

G) Information Security

Your company has a full proof information security system. The data backup are taken and kept separately so as to return back to the working in case of any unforeseen circumstances. This apart, your company has introduced adequate measures to avoid theft of information.

H) Opportunities and Threats & Risks and Concerns

Your company is located in MEPZ-SEZ area. There is a minimum commitment of exports given by your company to the Development Commissioner of MEPZ-SEZ as mandated by law. Secondly, your company has entered into an export marketing agreement with the group companies. As per the agreement, the group companies provide the Raw Material and your company converts them into Finished Goods and export them back to the group companies. Under such scenario, after meeting the commitments of the group company as per the agreement and also the commitment given to the MEPZ-SEZ authorities, your company can make independent sales of left over finished goods. In general, demand for your company's products keeps fluctuating upward and downward and is very volatile.

With regard to the threat, the major threat is the obsolescence of technology involved in the production machinery and equipment. Your company has however been successful in customizing those machinery and equipment to suit the latest technological requirement vis-à-vis production and export requirement. Secondly, your company is manufacturing gold plated reed switches whereas lot of competitors have emerged in the international market who are offering low cost tin and copper plated reed switches performing the same function as that of your company's reed switches. However, your company is able to offset this threat by canvassing the product's superior quality and longtime durability.

ANNEXURE-B

Forming Part of the Board's Report

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT FOR SWITCHING TECHNOLOGIES GUNTHER LIMITED

Part A:

SUSTAINABILITY EFFORTS BY SWITCHING TECHNOLOGIES GUNTHER LTD.

Your company's plants and machineries are age old and the manufacturers of those plants and machineries have either closed their facilities or stopped manufacturing the same. Nevertheless, your company has been customizing the repairs and maintenance aspect to suit the technological upgradation requirements. This has been possible by utilizing the in-house intellectual expertise and also by appointing outside consultants.

Your company's other sustainable efforts were to focus on reducing the scrap rate and increasing the productivity. This has been introduced in all segments of the production processes.

Part B:

BUSINESS RESPONSIBILITY INITIATIVES BY SWITCHING TECHNOLOGIES GUNTHER LIMITED

Your company is very particular in keeping the surrounding environment green and clean. In this regard, your company has ensured meticulous compliance of pollution control norms.

Your company is very particular about taking care of requirements of its workers and their family members. Even though the company is under severe financial crisis, the company still manages to assist its employees in the best possible way within its meets and bounds. This will be evidenced from the very fact that till the year 2007 – 08, your company was stuck with lots of labour issues, besides being rendered sick company and having been referred to BIFR. Due to initiatives taken by your management over a period of time, the company has not only come out of clutches of BIFR but

has also broken even in the financial year 2013-14 and booked profits in FY 2014-15. This could not have been possible without the paternistic approach of your company towards the needs and requirements of the employees. However, in the subsequent years, your company had incurred losses again mainly due to the fact that there was steep decline in sales orders and exchange fluctuation losses. During the financial year under reporting, your company has posted a loss of ₹66.897 million.

Tambaram, Chennai - 600 045.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Switching Technologies Gunther Limited (hereinafter called "the Company") having (CIN: L29142TN1988PLC015647) having registered office at B-9 & B-10 Special Economic Zone (MEPZ) Kaddaperi, Tambaran Chennai 600045 for the Financial Year ended 31st March 2025. The Secretarial Audit was conducted in a manner that provided me with a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2025:

- complied with the statutory provisions listed hereunder and
- proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025, according to the provisions of:

- I. The Companies Act, 2013 ("the Act") and the rules made thereunder

- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder
- III. The Depositories Act, 1996 and the Regulations and Bye-laws Framed thereunder
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings.
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR 2015").
 - (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
 - (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.
 - (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time (Not applicable to the Company during the audit period).
 - (e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 (Not applicable to the Company during the audit period).
 - (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; and the Securities and Exchange Board of India (issue and Listing of Non-Convertible Securities) Regulations, 2021 (Not applicable to the Company during the audit period).
 - (g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act, 2013 and dealing with client;
 - (h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and The Securities and Exchange Board of India (Delisting of Equity Sharers) Regulations, 2021 (Not applicable to the Company during the audit period).
 - (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (Not applicable to the Company during the audit period).

I have also examined compliance with the applicable clauses of the following:

- Secretarial Standards (“SS”) issued by the Institute of Company Secretaries of India with respect to Board, Committees and General Meetings.
- The Listing Agreements entered into by the Company with Bombay Stock Exchange.
- Memorandum and Articles of Association of the Company.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

- a. The Company has not included any statement indicating the manner in which formal annual evaluation of the performance of the Board, its Committees and of individual directors has been made in its board report as per the requirement of Section 134(3)(p).

We recommend that the Company ensure compliance with the provisions of Section 134(3) (p) by including the requisite disclosure in the Board’s Report, outlining the process followed for the annual performance evaluation of the Board, its Committees, and individual Directors.

b. Filing of E-forms:

During the Financial Year 2024-25, the company filed the requisite E-forms within time with Registrar of Companies, Ministry of Corporate Affairs except the following:

SI. No.	Particulars	Delay in No. of Days
1	Form MGT-14 vid SRN No-AB0295816	5 days
2	Form MGT-14 vid SRN No -AA9257822	14 days
3	Form DIR-12 vid SRN No-AB1792252	13 days
4	Form DIR-12 vid SRN No-AB1861745	31 days
5	Form DIR-12 vid SRN No-AB2842080	10 days
6	Form AOC-4 vid SRN No -N18534131	22 days

We recommend that the Company strengthen its compliance mechanisms to ensure timely filing of all necessary forms in the future and take immediate steps to regularize any pending or delayed filings to avoid potential non-compliance consequences and penalties.

c. Minutes Book and Registers:

The minutes book of AGM, Board Meetings, and other meetings, as well as the statutory registers, have been duly maintained.

SI. No.	Particulars	Remarks
1	Board Meeting Minutes Book	The Company has maintained Minutes Books of Board and General Meetings of the Company.
2	Annual General Meeting and other meeting Minutes Book	
3	Statutory Registers as per Companies Act, 2013	The Company has maintained Statutory registers during the audit period.

However, the pages of the minutes book have not been numbered. We recommend that the Company ensure all pages of the Minutes Book are serially numbered in accordance with the applicable Secretarial Standards to maintain proper records and enhance transparency in corporate governance.

d. The Company has adopted the following policies as per SEBI LODR 2015:

- Policy for preservation of documents.
- Policy on materiality of related party transactions.
- Policy for determination of materiality of events and information.
- Criteria for determining qualifications, positive attributes and independence of a director and Policy relating to remuneration of the directors, key managerial personnel and other employees.
- Policy on the diversity of the board of directors.
- Archival Policy

However, the company has not yet adopted the POSH (Prevention of Sexual Harassment) Policy. We recommend that the company adopt a POSH policy and constitute an Internal Complaints Committee in compliance with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

e. The Company had issued 98,178 Zero Coupon Redeemable Preference Shares (“RPS”) of ₹100/- each on February 14, 2009, which were due for conversion on or before February 14, 2021. It has been noted that the Company passed a special resolution at its Annual General Meeting held on September 21, 2021, approving the conversion of these RPS into equity shares. However, as of the date of this report, the conversion has not yet materialized. Accordingly, as on March 31, 2025, the paid-up share capital of the Company continues to comprise both equity shares and RPS.

As per the representation provided by the management, the non-conversion is attributable to the non-availability of adequate funds.

In light of this, we recommend that the Company arrange the necessary funds at the earliest convenience and proceed with the redemption or conversion of the RPS as per the applicable terms and regulatory requirements.

- f. The Company does not have Tamil Nadu Shops and Establishments Act, 1947 registration. It is recommended to obtain the registration under the stated enactment.

I further report that

- With respect to the composition of the Board of Directors, the Company has fully complied with the requirements of Section 149 of the Companies Act, 2013 and the rules made there-under with a proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were changes in the composition of the Board of Directors during the period under review and were duly complied.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- The Company has entered into material related party transactions as per the applicability of SEBI LODR 2015; which has been approved by the shareholders in general meeting. The Company has also the approval of the audit committee.
- The Company has provided all required disclosures on its website.

On the basis of representation given by the management, I further report that:

- There was no prosecution initiated and no fines or penalties were imposed during the year under review under the Act, and Rules framed under these Acts against / on the Company, its directors, and Officers.
- The Directors have complied with the disclosure requirements in respect of their eligibility of appointment, and compliance with the Code of Business Conduct & Ethics for Directors and Management Personnel;
- Based on the information received, explanations given, process explained, and records maintained there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, including Sector Specific laws, rules, regulations and guidelines. The company has confirmed compliance with all those laws.

- The Compliance by the Company of applicable financial laws like direct and indirect tax laws has not been reviewed in this audit since the same has been subject to review by statutory auditor and other designated professionals and for the same we have relied on Reports given by the Internal as well as the Statutory Auditors of the Company.

Auditor's responsibility

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS 1 to CSAS 4 prescribed by the Institute of Company Secretaries of India. These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS.

Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the company and for which we relied on the report of statutory auditor.
4. Where ever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.

6. The secretarial audit report is neither an assurance as to the future viability of the company nor the efficacy or effectiveness with which the management has conducted the affairs of the company.

INDEPENDENT AUDITORS' REPORT

To the Members of Switching Technologies Gunther Limited

Report on the Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Switching Technologies Gunther Limited ("the Company"), which comprises of the balance sheet as at March 31, 2025, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity, the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs as at March 31, 2025, and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Material uncertainty related to Going Concern

We draw attention to the Note 37 in the Financial Statements. The Company's accumulated losses as at March 31, 2025 aggregate to ₹ 1526.19 Lakhs resulting in complete erosion of its net worth. Further, as of that date, Company's current liabilities exceeded its current assets by ₹ 724.65 Lakhs. These factors along with other matters as set forth in said notes cast material uncertainty about the Company's ability to continue as a going concern in the foreseeable future. However, the Company's financial statement has been prepared on going concern basis as disclosed by management in said note. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis,

Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report

that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced.

We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.
 - (A) As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books. Further, the backup of the books of account and other books and papers maintained in electronic mode has not been maintained on servers physically located in India on daily basis;
 - c. The balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure B”;
- (B) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. the Company has disclosed the impact, wherever necessary, of pending litigations on its financial position in its financial statements - Refer Note 29 to the financial statements;

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Switching Technologies Gunther Limited** (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended March 31, 2025.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were generally operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

1. CORPORATE INFORMATION

SWITCHING TECHNOLOGIES GÜNTHER LIMITED (“the Company”) is a public limited company domiciled in India and is listed on the Bombay Stock Exchange (BSE). The Company is engaged in the business of manufacturing and trading of Switching Products in SEZ (MEPZ).

2. BASIS OF PREPARATION

For the year ended 31st March 2025, the Company has prepared its financial statements in accordance with the Indian Accounting Standards notified under Section 133 of the companies Act 2013, read together with Companies (Accounts) Rules 2014 (Ind AS). The financial statements have been prepared on historical cost basis, except certain financial assets and liabilities, if any, which have been measured at fair value, defined benefits plans and contingent consideration. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2A. USE OF ESTIMATES

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

- a) Estimation of current tax expense and payable – Refer accounting policies - 3.9
- b) Estimated useful life of property, plant & equipment and intangible assets – Refer accounting policies - 3.1
- c) Estimation of defined benefit obligation – Refer accounting policies - 3.8
- d) Estimation of fair values of contingent liabilities - Refer accounting policies - 3.12
- e) Recognition of revenue - Refer accounting policies - 3.4
- f) Recognition of deferred tax assets for carried forward tax losses – Refer accounting policies - 3.9
- g) Impairment of financial assets – Refer accounting policies - 3.2 & 3.5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have

a financial impact on the group and that are believed to be reasonable under the circumstances.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, Plant and Equipment:

Property, Plant and Equipment are stated at original cost (including any revalued amount) net of tax / duty credit availed, less accumulated depreciation, and accumulated and accumulated impairment losses, if any. Costs include financing costs of borrowed funds attributable to acquisition or construction of fixed assets, up to the date the assets are put-to-use. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Where components of an asset are significant in value in relation to the total value of the asset as a whole, and they have substantially different economic lives as compared to principal item of the asset, they are recognized separately as independent items and are depreciated over their estimated economic useful lives. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment

Tangible Fixed Assets:

- (a) Depreciation is charged using straight line method on the basis of the expected useful life as specified in Schedule II to the Act. A residual value of 5% (as prescribed in Schedule II to the Act) of the cost of the assets is used for the purpose of calculating the depreciation charge. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of property, plant and equipment at each reporting period end and any revision to these is recognized prospectively in current and future periods.
- (b) Depreciation on leasehold improvements is being charged equally over the period of the lease.
- (c) On transition to Ind AS, the Company had elected to measure its Property, Plant and Equipment at cost as per Ind AS.

Capital Work- in- progress

Capital work-in-progress represents directly attributable costs of construction to be capitalized. All other expenses including interest incurred during construction period are capitalized as a part of the construction cost to the extent to which these expenditures are

attributable to the construction as per Ind AS-23 “Borrowing Costs”. Interest income earned on temporary investment of funds brought in for the project during construction period are set off from the interest expense accounted for as expenditure during the construction period.

3.2 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset’s net selling price and value in use. In assessing value in use, the Company measures it on the basis of discounted cash flow projections estimated based on current prices. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Impairment losses of continuing operations, including impairment on inventories, are recognized in profit and loss section of the statement of profit and loss, except for properties previously revalued with the revaluation taken to other comprehensive Income (the ‘OCI’). For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation.

3.3 Foreign Currency Transactions

The Company’s financial statements are presented in INR, which is also the Company’s functional currency.

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are measured in terms of historical costs denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements including receivables and payables which are likely to be settled in foreseeable future, are recognized as income or as expenses in the year in which they arise. All other exchange differences are recognized as income or as expenses in the period in which they arise.

The gain or loss arising on translation of non-monetary items is recognized in line with the gain or loss of the item that give rise to the translation difference (i.e. translation difference on items whose gain or loss is recognized in other comprehensive income or the statement of profit and loss is also recognized in other comprehensive income or the statement of profit and loss respectively).

3.4 Revenue recognition

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) -'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant. Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

Revenue from Sale of Goods

- (i) Revenue from sales of Goods is recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales exclude Goods & Services Tax, if any.

Other Income

- (ii) Other Income is accounted for on accrual basis.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognized on the settlement date, trade date, i.e., the date that the Company settle commits to purchase or sell the asset.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

i. Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held with an objective of collecting contractual cash flows
- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest" [SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate [EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

ii. Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income [OCI]. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

iii. Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

iv. Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company has made such election on an instrument by- by instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

c. Derecognition:

A financial asset is primarily derecognized when:

- i. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either [a] the Company has

transferred substantially all the risks and rewards of the asset, or [b] the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

- ii. the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

d. Impairment of financial assets:

In accordance with Ind AS 109, the Company applies expected credit loss [ECL] model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, deposits, trade receivables and bank balance
- b. Trade receivables or any contractual right to receive cash
- c. Financial assets that are debt instruments and are measured as at FVTOCI
- d. Lease receivables under Ind AS 17
- e. Financial guarantee contracts which are not measured as at FVTPL

The Company follows 'simplified approach' for recognition of impairment loss allowance on Point c and d provided above. The application of simplified approach requires the company to recognize the impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive [i.e., all cash shortfalls], discounted at the original EIR.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance [or reversal] recognized during the period is recognized as income/ expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- a. Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance which reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.
- b. Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

B. Financial liabilities:

a. Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging

instruments. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

ii. Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

iii. Financial guarantee contracts:

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

c. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

C. Reclassification of financial assets:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted [unadjusted] market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

3.7 Inventories

Inventories are stated at the lower of cost and net realizable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realisable value is the price at which the inventories can be realised in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution. Stores and spare parts are carried at lower of cost and net realisable value. Provisions are made to cover slow moving and obsolete items based on historical experience of utilisation on a product category basis, which involves individual businesses considering their product lines and market conditions.

3.8 Retirement benefits

Retirement benefit costs for the year are determined on the following basis:

- (i) All employees are covered under contributory provident fund benefit of a contribution of 12% of salary. There is no obligation other than the contribution payable to the respective fund.
- (ii) The Company also provides for retirement benefits in the form of gratuity and compensated absences/ Leave encashment in pursuance of the Company leave rules. The Company's liability towards such defined benefit plans are determined based on valuations as at the Balance Sheet date made by independent actuaries. The classification of the Company's net obligation into current and non-current is as per the actuarial valuation report.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not classified to the statement of profit and loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset

3.9 Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and tax laws prevailing in the respective tax jurisdictions where the Company operates. Current tax items are recognized in correlation to the underlying transaction either in P&L, OCI or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized on the basis of reasonable certainty that the company will be having sufficient future taxable profits and based on the same the DTA has been recognized in the books.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates [and tax laws] that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

3.10 Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs which are not specifically attributable to the acquisition, construction or production of a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a weighted average capitalization rate. The weighted average rate is taken of the borrowing costs applicable to the outstanding borrowings of the company during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized cannot exceed the amount of borrowing costs incurred during that period.

3.11 Earnings per equity share

Basic earnings per share is calculated by dividing the net profit or loss from continuing operation and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

3.12 Provisions, Contingent Liabilities and Contingent Assets:

Provision is recognized when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made.

A disclosure for contingent liability is made when there is a possible obligation, that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are renewed at each balance sheet date.

3.13 Cash and Cash Equivalents

Cash and cash equivalent comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Leases

The determination of whether an arrangement is [or contains] a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

- A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.
- Lease other than finance lease are operating lease and these leased assets are not recognized in the company's statement of financial position but are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. The Company is both a lessee and a lessor under such arrangements. Payments and receipts under such leases are charged or credited to the Statement of Profit and Loss on a straight-line basis over the primary period of the lease unless another systematic basis is more representative of the time pattern of the user's benefit.

3.15 Exceptional items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

3.16 Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

**31. DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19
EMPLOYEE BENEFITS**

The Company has classified the various benefits provided to employees as under:-

(a) Defined contribution plans

- Provident fund & Employee State Insurance

The Company has recognized the following amounts in the statement of profit and loss:

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

Employers' contribution to provident fund & Employee State Insurance:- Current Year ₹ 42.10 Lakhs (Previous Year ₹ 40.26 Lakhs)

(b) Defined benefit plans

- Gratuity
- Compensated absences - Earned leave

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions-

Economic Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long term risk free investments. The estimated term of the benefits/obligations works out to zero years. For the current valuation a discount rate of 6.47% p.a compound has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH, 2025**

36. FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH, 2025**

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Other techniques for which all inputs which have a significant effects on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effects on the recorded fair value that are not based on observable market data.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

37. MATERIAL UNCERTAINTY RELATED TO GOING CONCERN

There are following factors which create material uncertainty related to going concern of the company:

i) Continuous losses & Negative Net Worth

The company's accumulated losses as at March 31, 2025 aggregate to ₹ 1526.19 Lakhs resulting in complete erosion of its net worth. Further, as of that date, Company's current liabilities exceed its current assets by ₹ 724.65 Lakhs. These factors casts a significant material uncertainty related to Going Concern. The Company's financial statement has been prepared on going concern basis.

ii) Adverse key financial ratios.

Refer Note 39 - Some key financial ratios of the company are adverse which reflect on the financial health of the company.

38. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The company's financial risk management policy is set by the Managing Board.

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The company is not exposed to any interest rate risk as at the specified reporting date.

Foreign currency risk

The Company operates locally, however, the nature of its operations requires it to transact in several currencies and consequently the Company is exposed to foreign exchange risk in various foreign currencies.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies.

I. Foreign Currency Exposure

Refer Note 34 for foreign currency exposure as at March 31, 2025 and March 31, 2024 respectively.

II. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax.

Currency	2024-25		2023-24	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	(8.76)	8.76	(0.48)	0.48

GBP	2.34	(2.34)	2.22	(2.22)
Total	(10.48)	10.48	0.13	(0.13)

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the company compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation,
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit or loss.
